

RunCam Robin

USER MANUAL

NTSC & PAL System Switchable

The default is NTSC system. If you want to change to PAL system, please:

- 1 Short-circuit the two camera control pins

- 2 Then power on, camera will restart in PAL system in about 2 seconds.

- 3 The system can be saved after power off. After switching to the desired system, please unplug the short-circuit cable.

Joystick Control

1x OSD Key-press Board (Not Included)

RunCam TX200

RunCam Model: Robin
